

A close-up photograph showing two adult hands, one on the left and one on the right, gently cupping the tiny feet of a newborn baby. The baby's feet are pink and have visible footprints. The hands are light-skinned and positioned to support the feet from below. The background is a soft, light blue, textured fabric, possibly a blanket or towel. The overall mood is tender and protective.

TINY STEPS

Parenting Workshop

**"Train up a child in the way he
should go: and when he is old,
he will not depart from it."**

Proverbs 22:6

**There are no
bad children –**

**only bad
parenting.**

TRAINING

1. Intentionality

2. Consistency

3. Time

**You can train your
child**
